

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation.

Please take actions to protect the public interest and administer the communication laws of this nation. We have a corrupt party in power who will stop at nothing to maintain their grip on power and increase it. They are resorting to voter fraud, FCC violations and slander and libel. You must protect us from the abuse of FCC licensing.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
